

Connection • Collaboration • Community

At Colorado Career Connectors, Our vision is building connection, collaboration and community for Colorado's workforce and employers.

We host events featuring career advancement workshops, panel discussions with talent acquisition leaders, and networking opportunities with hiring companies panels twice a month.

Once a month we highlight top candidates, and encourage networking and active discussion among the community during our events and in our online forums on LinkedIn and Meetup.

Our Mission

To empower, inspire and create growth opportunities and professional development for Colorado's diverse and inclusive workforce, and provide Colorado's employers with amplified opportunities to connect, learn and integrate best practices.

We commit to a heart of service to empower inclusivity, and all are welcome. We commit to being soul-inspired and assure integrity and ethics in our practices.
